## THE RING RECORD OF JIMMY HOAO

In answer to several enquiries Jim Hoao has been boxing for a little over eighteen months during which time he has had five contests and won four of them.

His first appearance in a local ring was with "Limey" Richards whom he knocked out in the second round. His second essay was with Tim Terrien whom he knocked out in the third round.

Soldier McCullough, the "Iron Man," furnished Hoao with his next opponent and a ten-round go resulted in a draw.

Hoao next attacked up against Joe McGurn, a husky San Francisco boy, and for the first time tasted the biters of defeat, McGurn knocking him out in the fifth round.

Hoao's last contest was with Geo.

"Slim" Gilmore, the pair boxing twelve sensational rounds to a draw.

The Hawaiian champion will be twenty-two years old next month. By trade he is a carpenter and a good one.

Hoao is sparring with three partners in preparation for his coming mill with Ben de Mello. He thinks well of Kupa and stated this morning that he expected the latter to give de Mello a hard tussle tomorrow night in the fifteen-round go scheduled to take place before the Hilo Athletic Club.

Kupa, by the way, is not the individual of that name who boxed several times in Honolulu without particularly distinguishing himself.

That Kupa was a thin rangy man, whereas the Hilo Kupa is short and stockily built and much heavier, withal.

## COSMOS KEEP ON LOSING

Last night on the Y. M. C. A. alleys the Stragglers beat the unfortunate Cosmos team in three straight games. F. A. Edgecomb had high score and high average for the winners, 183 and 165.

O. Swain farmed the honors for the Cosmos, his high score being 154 and his high average 140.

The scores:

## A STORY OF RUBE WADDELL

There has been many a good story told on Rube Waddell. Among the many Connie Mack has told is this one:

"We used to put Rube in center-field when we weren't pitching him. He never wanted to sit on the bench, and we had to humor him or he wouldn't have stayed on the lot. He was a bully felder, too. One day we were having quite a battle with some team, and Rube was covering center-field for us. We were being hard pressed. With only one out, the other team filled the bases in the fifth inning and a brace of good batters were up. We had two strikes on the next man up, and then something happened.

"A black cloud of smoke appeared in the sky back of centerfield fence, and a little later a blaze. Then came the crash and clanking of fire bells, and the clatter of horses' hoofs. I happened to look in the direction of the blaze. High up on the centerfield fence I saw Rube perched, looking at the blaze, silhouetted against the red glare of the conflagration. I let out a blast that nearly woke the dead. Rube heard me and looked around. He seemed undecided as to his next move, but he wasn't long in making up his mind. With a graceful salute of his and, as if to say, 'So long, fellows!' he dropped from sight on the other side of the fence, and was on his way to the fire."

## CHANG HIN NEAR WONDER

The Boys' Field is being kept busy these afternoons by a host of young athletes who are getting in shape either for the Chinese New Year meet, which takes place at the Athletic Park on the 17th inst., or the Boys' Clubs' meet, which will be pulled off at the Boys' Field on March 30.

There is a youthful athlete developing among the Chinese who will assuredly make a name for himself in local athletic circles in the course of a few years.

He is Chang Hin, nicknamed Kow Chai, a fourteen-year-old boy. This youngster runs and walks regularly. He can turn a mile in 5:14, and yesterday walked half a mile in splendid style in 4:30.

Chang Hin will take part in the junior half-mile walk on the 17th inst., and should win that event handsomely. He seems to be an athletic "prospect" who will bear watching by local athletic organizations.

## HALL PRESENTS FLEET TROPHY

E. O. Hall & Son this morning decided to offer a cup to be known as the Hall trophy, for competition among the baseball teams of the Pacific fleet.

Play will start in the near future, the games being pulled off at the Athletic Park.

The California and South Dakota will play to see which is the best team in the first division.

Then the West Virginia and Colorado will settle a similar dispute in the second division.

The division winners will then play the best two games out of three to see on the scoreboard of which of the cruisers the handsome "mug" shall find a permanent resting place.

## COLORADOS IN BASKET GAME

The basketball team of the U. S. S. Colorado issues a challenge to any basketball team in the islands for a game to be played at any time.

Communications may be addressed to R. L. Richard U. S. S. Colorado.

On Tuesday night the Colorado team will play a match with the Oahu in the Y. M. C. A. games hall.

The Colorado's team is made up as follows:

Connor, catcher; Suchy, right guard; Richards, left guard; Daniels, left field; Labiosierre, right field.

TO HIS UMPS!

Here's to the umps,  
Who takes his bumps  
As mind beyond the mob;  
An oblivious ump  
To the many thumps  
Of the commonest, common slob.

At the prick of the gaff  
May he stand and laugh,  
And smile at feathers and tar.  
May he ever duck  
The danger track,  
And beat out the bunch to the car!

The United States is said to be short of walkers for the Olympic games. The ranks of the Theopians can always be recruited from, however, so there's no great cause for worry.

## HILO SOCCER PLAYERS GETTING READY FOR HONOLULU'S CHAMPIONS

(Mail Special to the Star.)  
HILO, January 6.—Ben de Mello boxes fifteen rounds with Kupa on Saturday night before the Hilo Athletic Club.

Kupa's style is taking and he looks very promising material, though he has still a great deal to learn about the game. He is slow to follow up the openings which present themselves, but he is likely to show improvement in his coming bout with de Mello.

The sporting situation in Hilo is quiet just at present. The soccer players have been getting a weekly game of late and are certainly making a far better showing than they did a couple of months ago.

With the Scots of Olan, Papakou, Hakalau and Wainaku getting into the game again, there seems to be every reason to believe that by the Fourth of July there will be plenty of material from which to select the team to play a Honolulu eleven.

Although no game has been definitely arranged between Hilo and Honolulu, it is fondly hoped down here that a game will be staged in connection with the annual sports meeting at Hoolulu Park.

Already a tentative program has been arranged which comprises twelve horse races, five foot races from fifty yards to half a mile, a ten-mile "marathon," a baseball game, a soccer match, bronco-busting, etc.

The prizes for the racing events range from \$25 to \$2000, the last-mentioned purse being for the one mile and a quarter free-for-all event.

This proposition is up in the air at present, but the right men are at the helm, and no doubt a definite statement will be made before the end of the month.

Since it is proposed to have a meeting between Honolulu and Hilo teams at both baseball and soccer, it is hoped that a specially low rate will be quoted by the I. I. S. N. Co., and that the promoters of the sport will be prevailed upon to make a suitable donation toward the expenses of both these teams.

For the soccer match a silver cup can be obtained without much trouble; in fact, the old "Kennedy" cup could be resuscitated for the occasion.

Honolulu ought certainly to be able to send a strong team to Hilo and the latter will find in the local players opponents worthy of Honolulu's best.

## SUTTON AND HOPPE TO MEET FOR BALK LINE EMBLEM AND CHAMPIONSHIP

NEW YORK, January 25.—The next all-star event of importance will be decided February 7 in the ballroom of the Hotel Astor. It will be a second contest within a few months between Willie Hoppe, the champion, and George Sutton for the emblem of supremacy at 18.2 balk line. Sutton was grievously disappointed by his showing against Hoppe in the match played at the concert hall in Madison Square Garden November 28. On that occasion he played far below his preparatory practice form, and Hoppe, although he won by the liberal margin of 234 in 500 points, failed to realize expectations. Both experts attributed their mediocre performances to the temperature of the concert hall, which affected the ivory balls and reduced their resiliency. Believing that he could do much better under suitable conditions, Sutton challenged again. They will meet in March to battle for the 18.1 balk line championship, which is also held by Hoppe.

## SPORTDRIFT

Fred Riley, mainland golf expert, is coming to Honolulu for a visit.

The Kam field track has been put in good shape for the coming season.

The Oahu College girls have commenced a singles and doubles tennis tournament.

The bowling match tonight will be between the Honolulu and Players.

The High School runners will race over a course from the Aquarium to Thomas Square this afternoon.

Word has been received here that Carl Gardner, America's tennis representative in the Manila carnival, while in Japan met and defeated the Japanese tennis champion. While in Honolulu on his way East Gardner played an impromptu match with A. L. Castle.

The league soccer schedule comes to an end tomorrow. The Healanis meet the High School and the Mailies will play the Punahou.

A mixed foursome will be played on the Haleiwa links on Saturday and Sunday. Conditions of the contest are handicap medal play. A pair of silver clocks, now on exhibition in Wichman's window, are offered as prizes for the winning pair. First eighteen holes only will count, play to be either Saturday or Sunday. Entries will be received by Alex Bell up to twelve o'clock on Saturday. There are fourteen entries to date.

There will be a meeting tomorrow afternoon to form a six-league baseball club, composed of three local teams and three teams from the fleet.

## CUTTER RACE THIS MORNING

Ships' crews from the flagship California and the West Virginia had a challenge race this morning over a three-mile course. The result was a win by many boat lengths for the flagship crew.

The start was away out near the bell buoy. Both boats got away well together and kept in close company for some time, but toward the end the two boats going at a great clip, were separated by many lengths, and the California crew slipped across the line easy winners.

The race was the result of a challenge, and the fleet cup was not involved in any way at all.

### ASKED TOO MUCH.

Columbus deftly stood the egg on end, then waited for the applause.

"That's all right enough," said the audience, "but show us how to buy a really fresh egg."

Frowning grimly, Columbus replaced the egg in his coat pocket and sailed for America.
